

Irrevocable Contract Disclosure Statement

I understand that by placing my initials beside the sentence stating “By writing his or her initials, Purchaser chooses to make this contract Irrevocable. That is, Purchaser does not have the right to revoke it,” that the funds placed in the preneed trust or preneed burial insurance cannot be withdrawn (after 30 days) from the trust or insurance for any reason until the contract has been honored.

I also understand that all interest earned remains with the contract and cannot be removed.
